3rd Annual Southwest Ohio Internal Medicine Update & Review Course

February 22nd - 24th & March 1st - 3rd 2019
3rd Annual
Southwest Ohio Internal Medicine
Update & Review Course
2019

Dates & Location Information
February 22nd-24th, 2019
&
March 1st-3rd, 2019
Kingsgate Conference Center
151 Goodman Drive
Cincinnati, OH 45219

The Southwest Ohio Internal Medicine Update & Review Course is a board review course that will provide an intensive review of medicine for physicians preparing for the ABIM initial and recertification examinations. The course will also allow an in-depth review with recent updates for physicians and advanced nurse practitioners practicing internal medicine and other disciplines, providing 48.0 CME and MOC credit.

Course content is based on the blueprint for certification and recertification examinations. The course is comprised of didactic lectures with multiple questions, case-based discussions, and interactive Self Evaluation Process (SEP) modules. Attendees will be provided with detailed course material along with expert specialty questions and answers for thorough independent examination preparation.

PM: Endocrinology

Sunday, March 3rd
AM: Hematology
PM: Oncology
Completing CME

The University of Cincinnati is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Cincinnati designates this live activity for a maximum of 48.0 AMA PRA Category 1 Credits™. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 48.0 MOC points [and patient safety MOC credit] in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

According to the disclosure policy of the University of Cincinnati College of Medicine, all faculty, planning committee members and other individuals who are in a position to control content are required to disclose any relevant relationships with any commercial interest related to this activity. The existence of these interests or relationships is not viewed as implying bias or decreasing the value of the presentation. All educational materials are reviewed for fair balance, scientific objectivity and levels of evidence. Disclosures will be made at the time of the activity.
