The University of Cincinnati College of Medicine and Cincinnati Children’s Hospital Medical Center has a commitment to diversity and inclusion among our students, residents and faculty. One of our diversity goals is to increase racial and ethnic diversity reflecting the population of the Cincinnati and surrounding community that we serve. To that end, the Office of Diversity and Inclusion is now sponsoring the University of Cincinnati and Cincinnati Children’s Under-represented in Medicine Visiting Clerkship Program. We will sponsor up to 12 funded visiting clerkship positions, space permitting, available from July through October for applicants from backgrounds underrepresented in medicine. This program will provide a stipend up to $1000, to help defray the cost of an away rotation, to 4th year medical students attending a U.S. medical school from backgrounds that are underrepresented in medicine including Black/African American, Hispanic/Latino, Native American/Alaska Native, and Native Hawaiian/Pacific Islander.

Our program includes a 4-week clinical rotation in the departments of Anesthesia, Emergency Medicine, Family Medicine, General Surgery, Internal Medicine, Neurology, Ophthalmology, Orthopaedic Surgery, Radiation Oncology, Pathology, Pediatrics and Psychiatry. You will also be connected to members of our minority house staff association for social events and networking opportunities.

Applicants must complete the VSAS application at [https://services.aamc.org/20/vsas/](https://services.aamc.org/20/vsas/) and the attached supplemental application. Preference for rotation experiences will be given first to University of Cincinnati College of Medicine students so there is a chance that the department may be full during the month you select to visit. Applicants are encouraged to apply to multiple options and rotation dates.

All application materials must be submitted via VSAS [in addition to](#) The Underrepresented in Medicine Visiting Clerkship Program supplemental stipend application. The supplemental application and inquiries should be sent directly to ucomodi@ucmail.uc.edu

Acceptance to the visiting program is contingent upon acceptance to the Visiting Student Program for a U.S. applicant. You will not be guaranteed an interview to the program of your choice based on your participation in our program.

The deadline for the application submission is May 15th.
