Medical Science Summer Institute at UC CoM for High School Juniors.
The Medical Sciences program is starting a new two-week full-time lab skills teaching program called the Medical Science Summer Institute for high achieving high school juniors. The program costs $1000 including textbook, lab supplies and parking fees. A video link is here: https://www.youtube.com/watch?v=wgJL42zD0i4&t= A few slots are still open. If you know any current juniors who are looking for a great science enrichment program this summer, contact Shawn Adkins (shawn.adkins@uc.edu).

UC Bicentennial Virtual Reality Experience.
Have you noticed the virtual reality structure in front of the Dean’s Office in CARE/Crawley but haven’t yet experienced the fun? We encourage you to try it out any time from 11am -1pm Monday- Friday. Let us know what you thought of the experience by tweeting us @UC_CoMResearch.

Ohio Historical Marker.
In case you missed it, the College of Medicine and UC Bicentennial unveiled an Ohio Historical Marker honoring Dr. Daniel Drake, founder of the school’s forerunner, the Medical College of Ohio last Wednesday, May 15th. You will see this marker near the entrance of CARE/Crawley.
