• **Jed Hartings, PhD**

Associate Professor of Neurosurgery
Spreading Depolarizations: Understanding and interpreting spreading depolarizations

• **Brandon Foreman, MD**

Assistant Professor of Neurology
Multimodality Monitoring: Obtaining and utilizing multimodality monitoring for treatment of TBI

RESEARCH DATA BLITZ

Collaborative for Research on Acute Neurological Injuries

REGISTRATION

Register online at
<https://foundation.uc.edu/neurotrauma2019>.
For more information, please contact
Karen Burk at burkkl@ucmail.uc.edu.

OBJECTIVES

- Upon completion of this course, participants should be able to:
- Discuss new research in TBI and incorporate into practice.
 - Describe new evidence and strategies to improve patient treatment.

Hosted by the UCGNI Neurotrauma Center, the UC Department of Neurosurgery, and the Collaborative for Research on Acute Neurological Injuries (CRANI)

ACCREDITATIONS

- The University of Cincinnati is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
- The University of Cincinnati designates this live activity for a maximum of 6 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
- For nursing:
 - The AANP accepts activities certified by ACCME providers as equivalent credit for NPs.
 - ACCME-certified activities are acceptable as equivalent credit for PAs.
 - Most state Nursing Boards accept ACCME-certified activities for credit toward CE requirement for Nurses, please confirm with your state Nursing Board.

SPEAKERS

• **Laura Ngwenya, MD, PhD**

Director of Neurotrauma, Assistant Professor of Neurosurgery
Neurotrauma in the Southern Ohio Region

• **Michael Goodman, MD**

Associate Professor of Trauma and Critical Care
Military Advances in TBI Research

• **Jordan Bonomo, MD, FCCM, FNCS**

Associate Professor of Emergency Medicine and Neurology
Brain Death in the Era of Therapeutic Hypothermia – Uncharted and Frozen Waters

• **Deepak Krishnan, DDS, FACS**

Associate Professor of Oral and Maxillofacial Surgery
Maxillofacial Trauma and Its Implications in Neurological Surgery

• **Joseph Clark, PhD**

Professor of Neurology and Rehabilitation Medicine
Vision Therapy for Concussion Rehabilitation

• **Andrea Thomas, CNP**

Nurse Practitioner Neurosurgery/Neurotrauma
Neurotrauma Clinic Overview

• **Kathleen Chard, PhD**

Professor of Psychiatry UC Health Stress Center
Identifying and Treating PTSD in TBI Patients
