All questions regarding the student's program of study should be directed to a faculty advisor. This document serves as a resource to be used by the student and the advisor with course planning, but is not inclusive of all important degree, college, and university requirements. All students are expected to be familiar with the *UC MPH Student Handbook*: <http://med.uc.edu/eh/divisions/publichealth/student-resources> and *UC Graduate Student Handbook*: <https://grad.uc.edu/content/dam/refresh/grad-62/docs/policy/handbook.pdf>

- 3.0 GPA (B average) or higher required for graduation.
- "I" or "NG" grades must be removed from academic record prior to applying for graduation.
- Students are required to register for at least 1 credit hour per academic year (Fall, Spring, or Summer) to maintain active student status.
- Students must complete all degree requirements no later than five (5) years from their start term of matriculation into the program.
- MPH core courses and MPH-EPH concentration courses are required and cannot be replaced with another course.
- Students can enroll in any PH graduate level course code not listed above to fulfill an elective requirement. Courses that do not have a PH course code require an Elective Approval Form signed by a Concentration Director or the MPH Program Director.
