All questions regarding the student’s program of study should be directed to the MPH academic advisor. This document serves as a resource to be used by the student and the advisor with course planning, but is not inclusive of all-important degree, college, and university requirements. All students are expected to be familiar with the [UC MPH Student Handbook](#) and the [UC Graduate School Student Handbook](#).

- ***PH9010/9020 Registration Requirements**
 - Attendance required for at least one DEPHS Wednesday seminar each semester
 - Minimum of 20 hours of volunteer service
 - Earned at least 21 credit hours
 - 3.0 program GPA or higher
- 3.0 program GPA (B average) or higher required for graduation.
- “I” or “NG” grades must be removed from academic record prior to applying for graduation.
- Students are required to register for at least 1 credit hour per academic year (Fall/Spring/Summer) to maintain active student status.
- Students must complete all degree requirements no later than five (5) years from their start term of matriculation into the program.
- MPH Core Courses and Concentration Courses are required and cannot be replaced with another course.
- Students can enroll in any PH graduate level course code not listed above to fulfill an elective requirement. Courses that do not have a PH course code require an Elective Approval Form signed by a Concentration Director.
