

UNIVERSITY OF CINCINNATI COLLEGE OF MEDICINE

POLICY TITLE: *MSTP Max. Length of Study Policy*

APPROVAL DATE: *October 3, 2019*

RESPONSIBLE DEPARTMENT: *MSTP Program*

APPLIES TO: *MSTP Students*

Medical Scientist Training Program (MSTP) Maximum Length of Study

Students have a maximum of 6 years to complete their PhD work and a total of 10 years to complete the entire MSTP. Time spent on Leave of Absence does not count toward these limits. Students may appeal for additional time under extenuating circumstances to the MSTP APC. In accordance with the medical degree policy, students may take no more than 15 semesters of academic enrollment to complete the medical degree program. A student can take no more than six academic semesters to complete M1/2, and no more than nine academic semesters to complete M3/4.
