

UCCOM MSTP Curriculum Overview

| | Summer | Fall | Winter | Spring |
|-----------|-------------------------------------|--|-----------------------------------|---------------------------------|
| M1 | Summer Research Rotations | Fundamentals of Molecular Medicine | Fundamentals of Cellular Medicine | Musculoskeletal & Integumentary |
| | TS: Orientation | Physician & Society | | TS: M1 to M2 |
| | Orientation & HCEM | Clinical Skills | | Brain Mind & Behavior |
| | Summer Forum on Clin&Trans Research | Biomedical Science Seminar / Faculty Mentor & Graduate Program Research Series | | |

| | Summer | Fall | Winter | Spring |
|-----------|-------------------------------------|--|----------------|---------------------------|
| M2 | Summer Research Rotations | GI/Endocrine/Reproduction | Blood & Cardio | Pulmonary and Renal |
| | TS: M2 to G1 | Clinical Skills | | Multi-System Disease |
| | Orientation & HCEM | Physician and Society | | Grad School Abstracts Due |
| | Summer Forum on Clin&Trans Research | Biomedical Science Seminar / Faculty Mentor & Graduate Program Research Series | | |

| | Summer | Fall | Winter | Spring |
|-----------|---------------------------------------|---------------------------------|---------------------------------|-------------------------|
| G1 | TS: G years Proposal Due | Research | Research | Research |
| | Graduate Program JC & Seminar | Graduate Program JC and | | Seminar |
| | Graduate Program Classes & Ethics | Graduate Program | | Classes |
| | Biomedical Science Seminar | | | |
| G2 | Summer Forum on Clin & Trans Research | | Research | Research |
| | | | Graduate Program JC and Seminar | Graduate Program JC and |
| | | | Biomedical Science Seminar | Biomedical Science |
| | | | Research | Research |
| G3 | Summer Forum on Clin & Trans Research | | Research | Research |
| | | | Graduate Program JC and Seminar | Graduate Program JC and |
| | | | Biomedical Science Seminar | Biomedical Science |
| | | | Research | Research |
| G4 | TS: M3 | Research & Paper Submission | Research & Paper Submission | Defense |
| | M3 LOI Due | Graduate Program JC and Seminar | | Seminar |
| | Biomedical Science Seminar | | Biomedical Science | |
| | Longitudinal Clinical Activities | | | |

| | Summer | Fall | Winter | Spring |
|-----------|----------------------------|-----------------------------|--------------------|----------------------------------|
| M3 | Intercession | Family Medicine | Neuroscience | Psychiatry |
| | Psychiatry | Intercession & HCEM | Pediatrics | |
| M4 | HCEM | ICE | Acting Internship | Senior Project (SP) & Interviews |
| | TS: MSPE | USMLE Step 2 Clin Knowledge | | Senior Project & Interviews |
| | Biomedical Science Seminar | | Biomedical Science | |
| | Longitudinal Clinical | | | |

Figure Key

| |
|------------------------------------|
| MSTP Specific Enhancements |
| Research |
| MSTP Specific Research |
| Medical School Specific Coursework |
| MSTP Transition Series (TS) |
| MSTP Due Dates |

| |
|---|
| HCEM=Health Care Emergency Management (First Responders in M1 & Disaster Preparedness Parts 1-3 in M2-M4) |
| LPCC=Longitudinal Primary Care Experience |
| IPEX=Interprofessional Experience |
| JC=Journal Club |
| ICE=Intensive Clinical |
