University of Cincinnati College of Medicine Office of Research

News for the week of January 13, 2020

UC Health Office of Clinical Research Education Opportunity.
The next Lunch & Learn is scheduled for January 16th in MSB E225 at 12:00 pm. Christopher Gennai, WIRB Senior Account Manager, will present on the WIRB Initial IRB Submission and Review Process and outline common hiccups that delay the study startup process for the UC/UC Health Clinical Research community. For more information, please contact Nate Harris at Nate.Harris@uchealth.com.

MLK Celebration on Friday, January 17, 2020.
UC Health and UC will host the 47th annual Rev. Dr. Martin Luther King Jr. Celebration Ceremony from 10–Noon on Friday, January 17th in Kresge Auditorium.

The ceremony will be emceed by Fanon Rucker, retired Hamilton County Municipal Court judge. The keynote speaker will be Dorothy Tucker, president of the National Association of Black Journalists. This year’s Humanitarian Award recipients are three individuals honored for their outstanding contributions in the world of journalism and news media: Jan-Michele Lemon Kearney, president of Sesh Communications; Courtis Fuller, anchor and reporter with WLWT-TV, Channel 5; and Lincoln Ware, host of “The Lincoln Ware Show” on WDBZ (1230 AM and 101.5 FM). Alexis Rogers, a reporter with WLWT-TV and president of the Greater Cincinnati Association of Black Journalists, will receive a Diversity in Media award. Join the celebration and RSVP today.

NIH Updated Grant Application Instructions and Forms Coming in Spring 2020.
NIH will require the use of updated application forms and instructions (FORMS-F) for due dates on or after May 25, 2020 (NOT-OD-20-026). A preview of form changes and clarification of how the changes impact research training grant, fellowship, and career development award applications (NOT-OD-20-033) are already available. Additional details will be posted soon. In the meantime, continue to use FORMS-E application packages for due dates on or before May 24, 2020 despite the expiration dates noted on each form (NOT-OD-20-047).

CCTST Just in Time Grant: Applications Accepted January 17, 2020 – February 17, 2020.
The mission of the Just-In-Time (JIT) grant mechanism is to enable investigators to use UC or CCHMC Core facilities to obtain critical data for submission of a competitive extramural proposal, patent application or commercialization agreement. This small grants program is designed to support clinical and translational science investigators who require the services of an institutional core to develop key preliminary data for federal (R01, DOD, VA, etc.), foundation or professional association grant funding. See the RFA for more information.
