University of Cincinnati College of Medicine Office of Research

News for the week of June 29, 2020

Research Restart.
We want to thank everyone in our research community for all their work in establishing and maintaining safe practices during the research restart over the past month. Going forward please be reminded that we will be maintaining the week of June 22 research personnel schedule at the 50% density levels into July and until further notice.

College of Medicine New Grant Awardees.
The Gallery of Awardees recognizes those faculty who have been awarded external grants of $100,000/yr. or more in direct costs in a Gallery of Awardees. This week we recognize Jason T. Blackard, PhD, Department of Internal Medicine, Division of Infectious Diseases; Diego Perez-Tilve, PhD, Department of Pharmacology & Systems Physiology; Jun-Ming Zhang, MD, MSc, Department of Anesthesiology; Kelly Jo Brunst, PhD, Department of Environmental and Public Health Sciences; Trisha Wise-Draper, MD, PhD, Department of Internal Medicine, Division of Hematology and Oncology; Pamposh D. Kaul, PhD, Department of Internal Medicine, Division of Infectious Diseases; Michael D. Goodman, MD, Department of Surgery; Richard D. Branson, MSc, RRT, Department of Surgery; Philip M. Diller, MD, PhD, Senior Associate Dean for Educational Affairs; Robert M. Cohen, MD, Department of Internal Medicine, Division of Endocrinology, Diabetes and Metabolism; and David Plas, PhD, Department of Cancer and Cell Biology.

UC Health Office of Clinical Research.
Due to the upcoming holiday, the July First Friday session has been canceled. Please contact Nate Harris Nate.Harris@uchealth.com with any questions.

CoM Leaders Show off their Masks.
College of Medicine leadership, including the Dean of the College and several Senior Associate Deans, promote facial coverings in this fun poster. Join the movement by snapping a selfie and tagging @UC_CoMResearch on Twitter.
