Grad PLUS Loan Request Form
University of Cincinnati College of Medicine
2022-2023 Academic Year

Name (please print): ____________________________________________

Student ID: M______________________________________________

2022-23 Class Year (please circle): M1 M2 M3 M4

I request a Federal Direct Grad PLUS loan in the amount of:

2022-23 Total Amount: $__________________

Attention M2 & M3 students:
The first $2,500 of the amount you fill in above, will automatically be allocated to the summer 2023 term. If you do not want this allocation, please contact our office.

Federal Direct Grad PLUS loans are subject to an origination fee of 4.228% which is automatically deducted from the amount you fill-in above. Students who borrow up to the maximum amount for the year can request an additional amount equal to this fee percentage to be added onto the loan. CAUTION: This will result in a larger loan, but if you would like to add the 4.228%, please initial here: ________

Federal Grad PLUS loans are made through the Direct Loan Program, which is administered by the U.S. Department of Education. You can access your federal student loan borrowing history and read important details on this loan program at www.studentaid.gov.

Signature:__________________________________________ Date: ________________________

This completed form may be submitted online at MedOneStop > Financial Aid > Financial Aid Document Upload. Once received and processed, the loan will appear with an “accepted” status on UC’s Catalyst system.
