GOALS:

- Become more involved in student government
- Get out of my comfort zone and work with a unique group of people
- Come up with various fundraising ideas
- Gain experience in budgeting and keeping track of all transactions; maximize efficiency and make sure all planned events take place at the right time.

MEDSCI Event Ideas/Maintenance:

- Crumbl/Insomnia cookies
- Pizza Party
- Ice Cream Movie Night
- Maintaining a constant supply of essential items at the MedSci desk
- Plan the biggest event of the year: Ice Skating
- Include the ideas of preventing COVID, providing masks, creating MedSci yearly T-shirts, and recycling drives

MEDSCI Management:

- Keep a budget list and create a spreadsheet detailing all transactions and how much money COM tribunal has.
- Discuss with the chair committee to make sure all materials are ordered so that the event goes smoothly.
- Include a scholarship open to students in COM (write an essay, topic to be decided, exec board helps choose out the recipient).
